

CIRCULAR/187/2019-20/GRADE 10 - 12

Date: 06/12/2019

Dear Parents,

Greetings from Vydehi School Of Excellence!!

Memories of school educational trips are among the most prominent of the formative years, largely because they are a welcome break in the routine for both students and teachers. While the purpose is essentially to educate, they also experience an amazing bonding among themselves. The students get to know their teachers better by staying together round the clock. It will be a classroom outside their regular place of study in school, where they will learn not only to look after themselves, but to think about others and learn to communicate better with other individuals around them.

We are glad to inform you that Vydehi School Of Excellence is organizing an adventure and sight seeing trip to Waynad for 3 days and 2 nights in the month of December, 2019. This trip is being organized by Amazing Holidays, a highly qualified professional group who have been in this field for quite some time. The entire programme is designed with the aim of learning through fun and leisure activities and we hope that this trip will enrich lives for posterity too.
