Dear Parents,

Greetings from Vydehi School of Excellence. We are nearing the end of this Academic session, and I am sure every student is geared up to meet this challenging Academic milestone. As I wish you all the very best for your upcoming exams, I would like to reiterate our continued support to the students during this crucial period. Students and parents can connect to anyone from the school team including myself for any help needed. In order to recognise and motivate meritorious students, we have come up with Academic Scholarships as below.

Under Laly Mathew proficiency award, Science students scoring above 90% will be given a cash reward of 50,000 Rupees.

For any queries you can contact the Admission Department.

Warm Regards,

Sinia Sajith

Principal
