Date: 01-07-19

A Corner of the Universe – Class Library

Dear Parents,

Vydehi School staff is committed to inculcate the reading habit of all students by having a Readers Corner in the classrooms. Teachers will transform the physical space of the classroom to create a conducive, lively and inviting space for reading by providing them with opportunities to read books according to their age, context and interests.

Students can access class library during break time or before and after school, apart from their regular library period.

We request you to send any educational book (novel, encyclopedia etc) in good usable conditions.

For further queries kindly write to us: [\[coordinator.middleschool@vydehischool.com\]](mailto:coordinator.middleschool@vydehischool.com)

Regards

Middle School Coordinator

Vydehi School of Excellence, Whitefield
